

Cot'ton Worm De-stry'er. Apparatus for destroying the cotton worm. There are numerous forms: some adapted for rose, potato, vine, and melon bugs.

Comstock's "*Report upon the Cotton Worm*," U. S. Agric. Depart., 1879, gives varied information on this subject and shows the following apparatus:—

<i>Whitman</i> , fountain pump sprinkler	* p. 239.
<i>Daughtry</i> , spraying machine	* p. 242.
<i>Willis</i> , atomizer	* p. 243.
<i>Johnson</i> , sprayer	* p. 245.
<i>Young</i> , sifter	* p. 246.
<i>Allen</i> , duster	* p. 247.
<i>Willis</i> , sifter	* p. 248.
<i>Davis</i> , sifter	* p. 249.
<i>Levy</i> , sifter	* p. 250.
<i>Eldridge</i> , sifter	* p. 251.
<i>Robinson</i> , sprinkler and duster	* p. 252.
<i>Helm</i> , brush and collector	* p. 253.
<i>Ewing</i> , brush and collector	* p. 255.
<i>Heard</i> , moth trap	* p. 262.
<i>McQueen</i> , trap-lantern	* p. 265.
<i>Garrett</i> , trap-lantern	* p. 266.
<i>Duke</i> , trap-lantern	* p. 267.
<i>Stephens</i> , trap-lantern	* p. 267.
<i>Pitman</i> , trap-lantern	* p. 268.
<i>Dudley</i> , trap-lantern	* p. 269.
<i>Cranston</i> , trap-lantern	* p. 270.
<i>Pugh</i> , trap-lantern	* p. 271.
<i>Byrne & Strunk</i> , trap-lantern	* p. 272.
<i>Rigel</i> , trap-lantern	* p. 273.
<i>Stith</i> , trap-lantern	* p. 274.
