

Moody, A. Penderel, *Devon Pillow Lace: Its History and How to Make It*

Following a general review of the history of lace, the author describes in depth the situation among lacemakers in various areas of Devon at the early part of the 20th century. Her writing is easy to read and expresses her concern for the problems of the industry, both from a practical and a personal point of view. The book ends with an excellent description of the techniques of Honiton lacemaking..
