

A section of CLAUSSNER'S new and latest type silk throwing machinery.

CLAUSSNER'S \$250,000.00 new equipment and modernization program—
NOW COMPLETED.

front

MODERN TWISTING

•

These Monarch twisters apply the extra twist to CLAUSSNER crepe silk. New machines make possible the uniformity of twist and the accurate thread construction that must be had in throwing perfect crepe silk.

•

"Modern Machinery Is Essential To Quality and Quality Is Essential To Claussner"
