VED Nærværende have vi Fornøjelsen at tilstille Dem en Prislister over Kniplebrædter og Tilbehør. Den stigende Interesse for dette gamle smukke Arbejde har foranlediget os til at optage dette blandt vore mange andre Haandarbejder.

I Samraad med flere dygtige Lærerinder med mange Aars Erfaring, er det lykkedes os at fremstille nogle praktiske og billige Kniplebrædter, samt at fremskaffe det øvrige nødvendige Materiale til meget billige Priser og i de mest praktiske Former.

Omstaaende vil De finde Illustrationer af disse Varer samt et smukt og righoldigt Udvalg af Mønstre til meget billige Priser. Mønstrene leveres gennemprykkede paa stærkt brunt Glanspap og en Illustration af den færdige Knipling medfølger til hvert, ligesom Pindenes Antal og Traadenes Nr. er vedføjet.

Mønstersamlingen vil stadig blive forøget. Dygtige Lærerinder anvises.

Iøvrigt bringes i Erindring vort Lager af Materiale og Værktøj for moderne Haandarbejder, Brænding paa Træ og Fløjl, Tarso (imit. Indlægning), Snitning, Metalarbejde, Knipling, Bogindbinding, Løvsavsarbejder i Træ og Alabast, Læderplastik samt Ætsning paa Træ. Stort og smukt Udvalg i Medicinskabe, Cigarskabe og Syskrin. Undervisning gives i Brænding, Tarso, Metalarbejde samt Ætsning.

Nedenstaaende findes Illustration af de bekendte Munkestole og Borde udførte i Birketræ, mørkt bejsede og rigt udskaarne. Stolene egner sig udmærket som Skrivebords-, Havestue- eller Vinduespladsstole og afgive, trods deres Form, et meget behageligt Sæde.

Bordene er ligeledes, paa Grund af deres Form, anvendelige mange Steder og svarer i et og alt til Stolene.

I Haab om ved Forbrug i disse Varer at maatte blive bæret med Deres behagelige Ordre anbefale vi os i Deres velvillige Erindring.

Ærbødigt
