SKETCH BOOK

Made of Fine Cartridge
Paper.

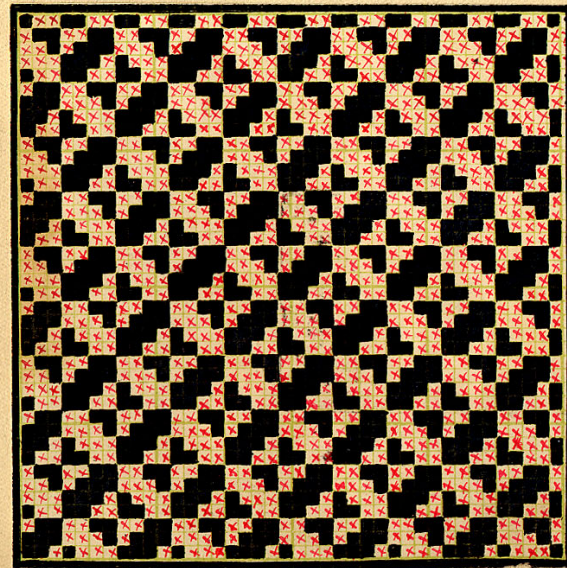

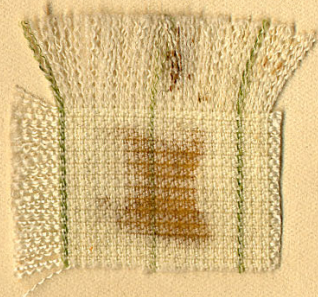

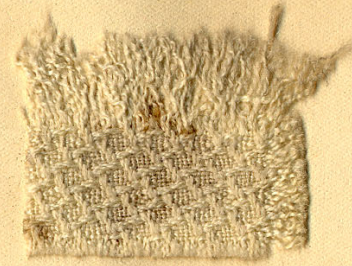

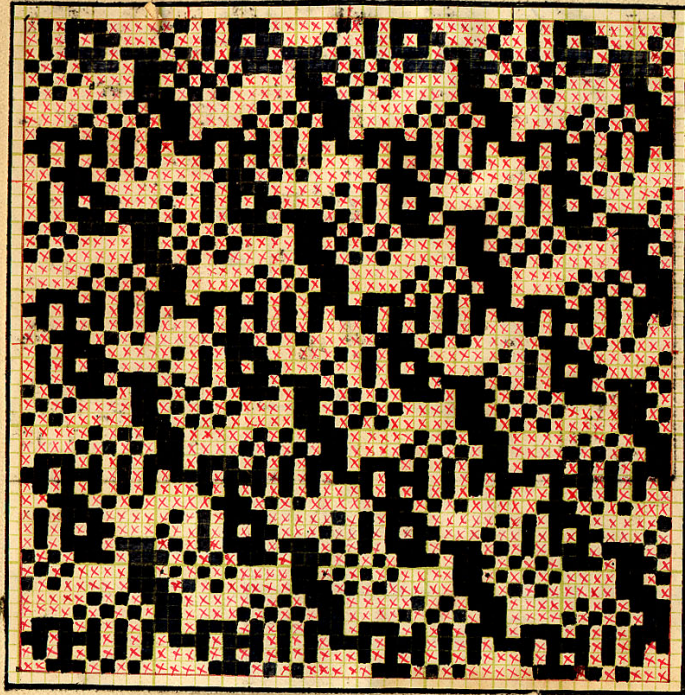

Boots . . . ART . . .
DEPARTMENT.

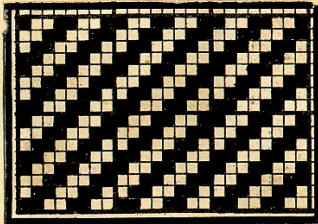

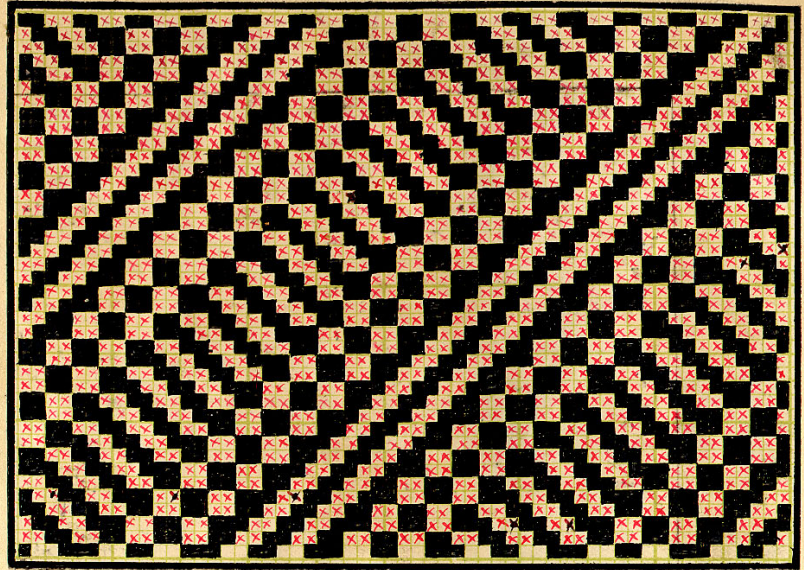

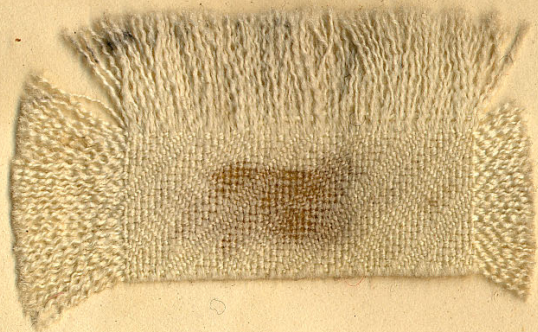

Boots Pure Drug Co. Limited.

NOTICE.—Drawing Papers, Sketch Books, and Solid Blocks require more care than they generally receive; they are very sensitive to, and are easily injured by damp atmosphere and sea air.

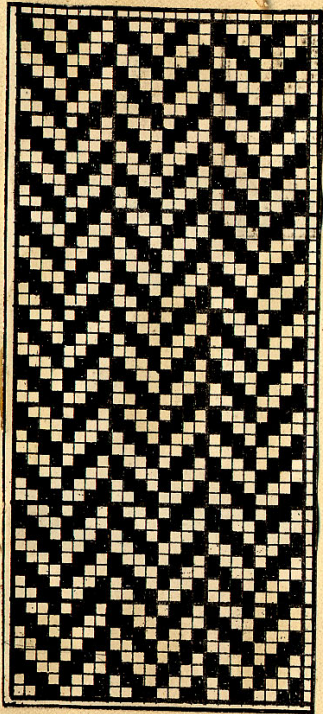

They should be always stored in warm dry rooms and away from the influence of floors which are frequently washed.

The complaints which are made as to mildew and spots (the result of the damp) would seldom occur if Drawing Papers were kept as suggested.

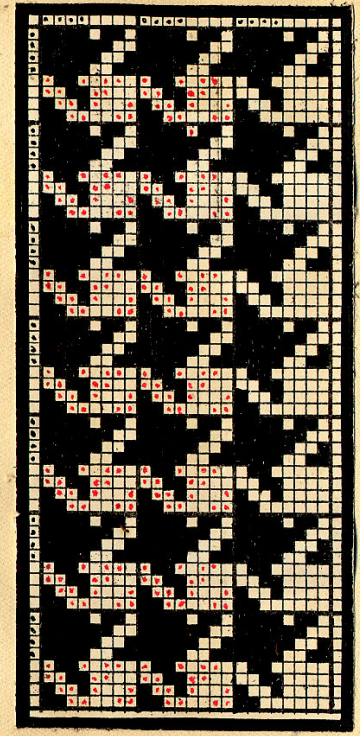

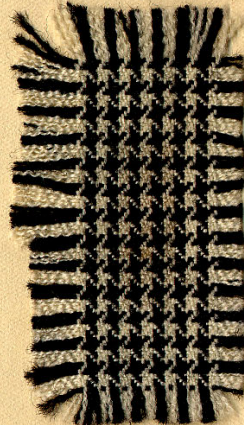

Woven $2/2$ Feather

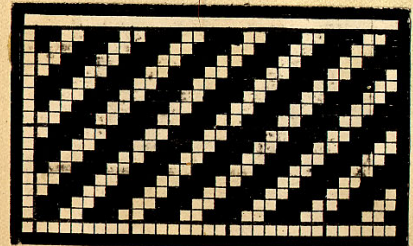

Shepherd's Hand

Colouring 4 Black 4 white
