

Large Book of Textile Designs

Franz Donat

Pattern Book

Franz Donat's book **Large Book of Textile Designs**, published in the late 19th century, is the largest of all pattern books.

Kris Bruland has digitized the patterns in this book and put WIFs for them on <http://www.handweaving.net>, where they can be downloaded without charge.

The patterns here have been derived from the WIFs and provided for browsing and easy identification of patterns of interest. There are a few duplicate patterns in the book and these are included here.

There are two separately paginated sections. The first section of 16 pages contains color patterns. The second section contains black-and-white patterns.

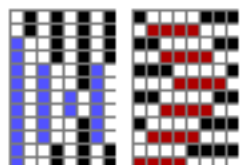

The patterns are organized by size, width first. Identifying numbers for the WIFs are given below the patterns. For example, 44080 refers to 44080.wif on <http://www.handweaving.net>.

Material in this document may be used freely for individual projects, but republication is prohibited.
